To whom it may concern

Dear Sir/Madam

ENDORSEMENT: COLUMBA LEADERSHIP

The Metro East District Executive Management Team and the staff would like to express our words of gratitude to the leadership and management of Columba Leadership for the generous support in terms of funding and servicing our schools with the Leadership Academy in three (3) schools within our district to date.

Masiyile Secondary School;
Zola Business Secondary School and
Manyano Secondary School

The district is ecstatic to have a fruitful and effective partnership with Columba Leadership in the quest for the development of future leaders.

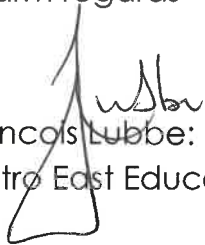

The Columba Leadership team were able to unleash untapped talent from our learners and educators through their youth leadership academy and extended programme. The kind of facilitation at these academies is a lifetime experience and enables all attendees to reflect on their full potential and the impact on our school and communities. The Academies is based on Six (6) values that reflects on personal and professional being **i.e. Awareness, Focus, Creativity, Integrity, Perseverance, and Service.**

As the district office, we are committed to the programmes such as Columba Leadership that are intended to develop our schools to be citadels of excellence. The organisation will at all times receive our support in any envisaged future programme for any of our schools.

The support of Columba Leadership speaks directly to the Western Cape Department of Education mission "To develop the intellectual, physical, emotional and spiritual potential of learners through effective, well-managed institutions functioning as learning organisations so that the learners may become mature and valued members of society, productive participants in the global knowledge economy and contributors to a desirable future for the country".

We hope our reference letter will reach your favourable consideration and thanking you in anticipation for an endeavour aimed at making education a societal priority.

Warm regards

Francois Lubbe: Circuit 4 Manager
Metro East Education District
